

Official I Voted Sticker Design Contest Rules

Artists of all ages are invited to submit their sticker designs through March 31, 2026. A panel of judges will review and select the top 2-3 finalists in each of two age categories (Adults and under 19 years old), and then a community vote will be held in late April-May 2026 to determine the winners. During the review and selection process, all entries will remain anonymous. The winners of the two categories will each have their design printed on new “I Voted” stickers and used in promotional materials for the November 3, 2026 election.

Designs that do not get selected for the stickers may be used in other promotional materials.

Voters will receive a sticker on their mailed ballot but will also be able to pick up the “I Voted” stickers at the polling center throughout the November general election.
